

EXECUTIVE MBA ADVANTAGE

Programme design A unique schedule that allows busy executives to balance work and personal life, while making a strategic investment in their careers.

Applied learning The case method of teaching and the EMBA projects enable students to immediately put into practice the techniques learned during the Programme.

Elite peer group The EMBA class consists of an elite peer group of accomplished mid-career professionals who represent a wide cross-section of industries and roles, resulting in rich, cross-functional perspectives and productive collaborations.

Faculty expertise The LUMS faculty are prominent architects in the creation of management, finance, innovation, and strategy best practices. During the Programme, students collaborate with them to develop the advanced management capabilities needed to realise their organisations' strategic goals.

LUMS Community Upon acceptance to the Programme, every LUMS EMBA student gains access to the LUMS tight-knit community of influential thought leaders, Research Centres and 27,000+ executive alumni.

“ LUMS EMBA is a very rigorous programme where case methodology is being used to give us insight on almost every business situation we encounter on a day to day basis. Moreover, LUMS has the best teaching faculty available in Pakistan having knowledge of every dimension of the business world.”

Atif Munir
EMBA 2020
Manager Operations
Summit Bank Ltd.

“ The Executive MBA has been a life-changing experience for me. This degree taught me how professional businesses are run. The case study method exposes students to the challenges faced by larger organisations and how they overcome real time business obstacles. One learns not only from the finest faculty in the country, but while interacting in an elite peer group we enhance each other’s knowledge of our respective industries.”

Sahar Atif
EMBA 2017
Creative Director and CEO
Sahar Atif Design Studio

“ LUMS EMBA is demanding, but the faculty and support provided is excellent. You have to be competitive and dynamic in the class, because the calibre of fellow students is very high. I have become more confident after joining this programme as it truly adds value to my career. Also, I am happy to be the first Chinese EMBA student at LUMS!”

Da Fu
EMBA 2018
Deputy Director, Sales and
Distribution
Zong CMPak Ltd.

“ At LUMS, I was able to learn and challenge myself and others in an interactive environment. This came through deep analysis, finding solutions, stating my opinions within a limited window of time and then building on it to establish my credibility.”

Umer Ghumman
EMBA 2014
Head Mobile Phone Division
Samsung Electronics Pakistan Ltd.

“ The EMBA Programme is adding great value as it integrates my practical working experience in both China and Pakistan with an enhanced awareness, skills and international exposure. I find the methodology of instruction strategically focused towards precise knowledge building while widening our respective horizons.”
