NATIONAL LEADERSHIP FOR REPRODUCTIVE HEALTH & DEVELOPMENT (NLRHD) PROJECT

The David & Lucile Packard Foundation (2008-2013)

- Publication of "13 Case Studies on Management of Family Planning and Reproductive Health Organizations"
- Development of 6 Sector-Specific Strategy Papers to bring policy level change in FPRH
- Training of 617 individuals from 165 organizations through 26 training programmes
- Development of Women Leaders' Network (WLN) for advocacy of FPRH initiatives
- Organization of Leadership Development Programme for Women Leaders (LDPWL)
- Dissemination of RH-related information via Social Media
- 401 participants were made aware of FPRH though 10 workshops conducted by Women Leaders.

A 26 member Women Leaders Network actively engaged in activities for Family Planning & Reproductive Health
